

ROBBY VEE

LP RELEASE | Double Spin

“A rock-n-roll original...”

Second Generation Rockabilly Hall of Fame rocker.

“This is an amazing musician who is famous for absolutely bringing the house down live. Robby Vee is a wickedly talented songwriter but it’s the stage where he truly calls home.” —Matt Miles, *Yack Magazine*

Neo-Rockabilly artist Robby Vee “The Prince Of Twang” was born Robert Velline named after his father Bobby Vee. He is recognized by both the American & Canadian Rockabilly Hall of Fames and in 2022 he was recognized by the IRRMA for an Induction into the Iowa Rock n Roll Hall of Fame. Vee has been performing his unique style of Rock-n- Roll music for years on stages across the globe. Having been on tour with the legends and architects of rock-n-roll, Robby has learned from, and shared credits and stages with the best.

As an Entertainer with many studio records to his name, countless guest artist credits, and a history of extensive touring, Vee has captured the attention of audiences and respected industry professionals both Nationally and Internationally **bigtakeover.com** writes “Robby Vee, he’s been turning heads and making friends in the highest echelons of the music cosmos. When you dive into his latest opus, **Double Spin**, you’ll understand precisely why. Vee does that essential alchemical act that transcends genres and shifts sonic landscapes—he propels music forward. While at first glance, you might peg him as a guardian of musical heritage, a torchbearer of bygone glory rather than a trailblazer, you couldn’t be further from the truth. Scratch beneath the surface, immerse yourself in the songs, and you’ll uncover more innovation than nostalgia. Robby Vee is, in fact, a visionary artist. He knows where he hails from, but the much more exhilarating prospect is where he’s headed.”

Drums: Jeff Bjork, **Bass:** Bryan Williams, **Violin:** Dana Killam, **Tenor Sax:** Jim Greenwell, **Vocals, Guitars, Lap Steel, Keys, Brass & Strings:** Robby Vee. **Produced by** Robby Vee & Jeff Bjork.
